

VIZIO | Quick Setup Guide

Connect.

1

Plug in the power cable to power on your sound bar.

2

Then use the included AUX cable to connect to your TV.

Note: When using the optical input, be sure your TV's audio settings are set to PCM.

Consult your TV's user manual for more information.

Connect to a Voice Assistant (VA) Device

Connect your voice assistant devices (sold separately) to the sound bar for an amplified audio experience that's always ready to respond. Please see the User Manual for more information.

Connect to the AUX Port

OR

Bluetooth Connection

The sound bar will **automatically lower the volume** while watching a movie or listening to music (when a VA device is connected).

Unlock the best picture and audio quality with a VIZIO SmartCast® TV.
